JOSEPH CITY HIGH SCHOOL
JOSEPH CITY, ARIZONA

WE DEDICATE

"My goal as an educator," stated Mr. B.G. Bill Bennett, "is to provide the very finest school system that the people will support so that the students of the Joseph City Schools will become the most successful of productive citizens. I think we provide a well-rounded system so as not to neglect any part of the students' education. We provide classes in music, art, industrial arts, drama, as well as all the traditional areas."

If this is Mr. Bennett's goal, he is certainly succeeding. He began his career as an educator in Colorado. Then came the Korean War. Mr. Bennett joined the U.S. Navy and spent his time aboard the U.S.S. Tarawa, an aircraft carrier. He was in personnel work in the navy. During his career in the navy, Mr. Bennett had the good fortune to travel in the Far East and travel around the world. He was shocked by the poverty he saw in Hong Kong and Ceylon.

After the war, he returned to Winslow and to education. He taught for six years in Winslow and served as a principal for nine years. After that time he came to Joseph City—first as school administrator because the district was so small and ultimately as Superintendent.

Under Mr. Bennett's direction the schools have grown phenomenally. The junior high shop building, the Title I building, the new elementary building all have been added. The gym in the elementary school has been remodeled. The high school has been built in phases.

This year the new athletic facilities and the magnificent new auditorium were incorporated into the system.

Also under Mr. Bennett's direction the faculty has grown from 15 members to 32. There has been a corresponding growth in support personnel. The high school has grown from 41 students in 1970 to a peak of 185 in 1979-80. The schools offer a complete program.

In his spare time Mr. Bennett likes to ski, garden, do yard work, do home repair and travel.

Mr. Bennett lives in Joseph City with his wife Juanita who teaches third grade. He has four children, two of which—Rick and Lori—are in this year's graduating class.

In recognition of his achievements we sincerely dedicate the 1981 Wildcat to our friend, Mr. Bill Bennett.

FOOTBALL - MOVING ON UP -

The fighting Wildcats moved up to the very strong Class B North this year. "The timing was bad," according to Coach Esquibel. "For the first year in the last six we were without size and experience." Coach Esquibel gives special credit to Jay Young, Gregg Randall, and Rick Bennett for carrying the team all year. The rest of the players received experience that will help next year.

Coach Esquibel also feels that even though it was a learning year, it was better to play in Class B than Class C. The Wildcats ended up with a 1-8 record.

GIRLS WIN DISTRICT TOURNEY - TAKE THIRD IN STATE!!

JOSEPH CITY VOLLEYBALL

The Joseph City Volleyball team participated in Class B for the first time this season and wound up third in state despite being the smallest Class B school in the state.

The Wildcats returned only one player who had played on the varsity, but they were a very determined, hard-working squad who had great desire to succeed. They finished second in conference ac-

tion, second in the Blue Ridge Tournament, won the District Tournament, and finished third in the State Tournament.

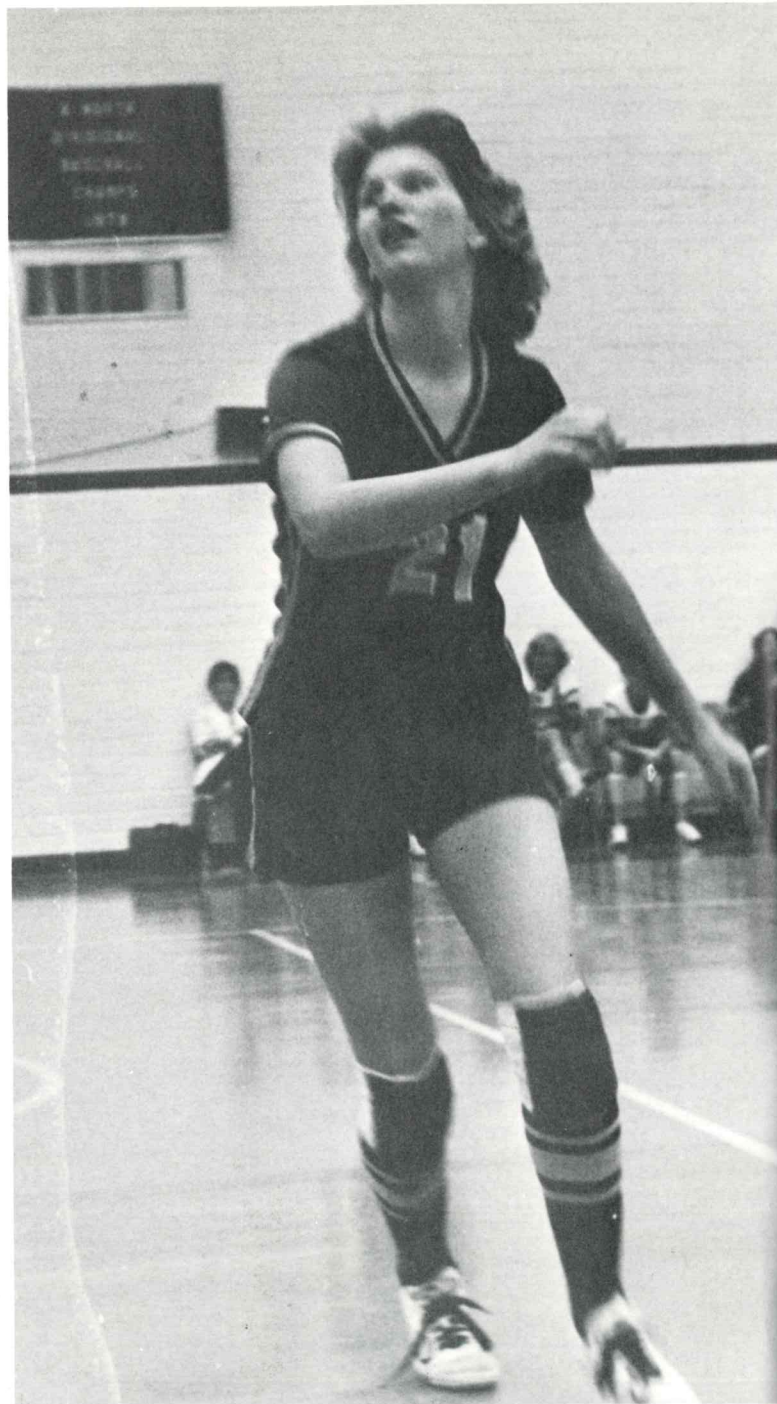

The team had the motto "TNT" for "Tough and Together" and that is the way they played at the end of the season. They gained valuable experience during September and October and then finished the season by playing up to their potential in the District and State Tournaments.

"This squad had more determination and desire than any team we have had here in the past nine years. I have enjoyed coaching them because they worked so hard in practice and had great desire to succeed in Class B. They were a very unselfish team who came closer to playing to their potential than any volleyball team we have had in nine years." Stated Coach Miller.

THE SEASON

The 1980-81 basketball season was a challenge for the Joseph City High School boys because of the jump in classifications from Class C to Class B. Success can be defined differently for different teams. Although the boys only won two games during the season, their desire and determination in playing the game showed that their season was definitely a success.

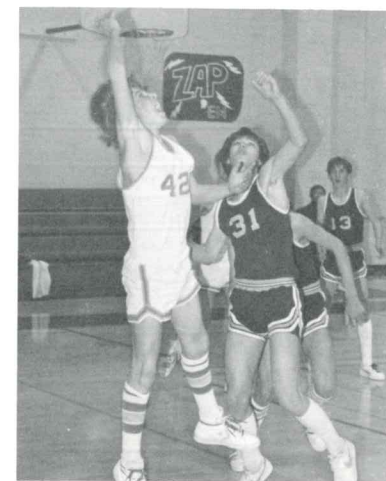

The players performed close to their potentials and outhustled nearly every opponent they played. The attitudes, hard work, and hustle will always be remembered. They gained the respect of all their opponents for their desire.

GIRLS BASKETBALL—HEART AND DESIRE

Starting in November, Coach Duane Jones had only seven girls reporting for basketball. However, these girls had the heart and desire to work and improved throughout the season. Before starting play in the Class B North, the Fighting Wildcats played seven non-conference games, winning 1, losing 6.

Beginning in January, the Cats

began conference play at home beating Blue Ridge 46-41. Then going on the road their next four games, the team lost. Playing the second half at home helped the girls earn a tie for third place in the final conference standings.

In first round action in the District Tournament, Joseph City lost a heartbreaker to Blue Ridge 33-29.

Coach Jones had the following to say, "I believe we surprised many people this year after they had written us off because of our early season losses. I was pleased by the improvement by some of the players. The girls had the 'NEVER SAY DIE' attitude. The Class B teams knew that whenever they played the Joseph City Wildcats they would be in a battle."

The 1980-81 wrestling season proved to be a very tough one for the JCHS wrestling team. Only fourteen boys participated in the wrestling program. The team was unable to fill three of the thirteen weight classes. Illness and injury played a major role throughout much of the season.

The Wildcat Wrestlers posted a 4-4 Dual Meet record. They placed second at the Williams Invitational and fourth at Divisionals. The team also participated in tournaments at Payson and Mingus as well as hosting their own JCHS Tournament. A highlight of the season was when the Cats were chosen to host a cultural exchange wrestling match between the Northern Arizona All-Stars and the National Championship team from Japan. Flint Zeunen and Gregg Randall represented their team on this All-Star squad.

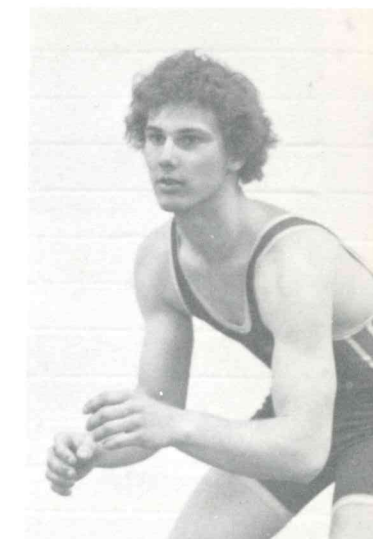

Bly Hatch, who wrestled at 167 lbs. for the Wildcats, was the only one of the eight boys who qualified for State to earn a place finish. Bly brought home a fourth place finish.

BASEBALL - A WINNING SEASON

Sitting: Jim Westover, Keith Fish, Chad Hale. Kneeling: Dan Fenimore, Greg Phillips, Chuck Gray, Russell Cluff, David Bushman, Tim Bladry. Standing: Coach Duane Jones, Jim Young, Gregg Randall, Matt Byerly, Johnny Penrod, Jay Young, Mick McCormick, Joe Aurora, Dennis Moya, Coach Dale Miller.

The Wildcats finished the season with a 10-8 record and were 5-5 in the Class B North Conference and finished in third place. The baseball team was very competitive as most of their games were won or lost by one or two runs.

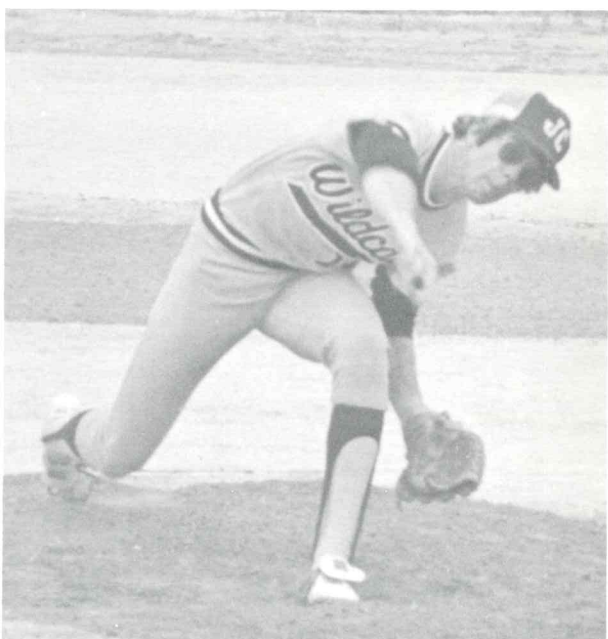

Four seniors, J.L. Young, Dennis Moya, Mick McCormick and Gregg Randall led the team in almost every department and will be greatly missed next year.

The coaches feel that this was the most enjoyable team they have worked with in the past nine years they have been at Joseph City. The attitude of the team and their willingness to work together made it an enjoyable season.

Coach Dale Miller coached the varsity and Coach Duane Jones coached the Jayvees.

TRACK - A NEW WILDCAT SPORT

Coaches Allen Rebelin, Neil DeWitt, and Kevin Davis.

The 1980-81 school year marked the first year for an official track program at JCHS. There was an excellent response from the student body as many students decided to give this new sport a try. At the beginning of the season, 60 boys and girls came out for the team. As with any new sport, the track team found the competition keen among the other schools which had track programs for many years. Stiff competition, not to mention the hard work imposed by Coaches DeWitt, Ribelin, and Davis, soon thinned the number of athletes out for the program to a total of 35: 19 girls and 16 boys.

At the season's end, six members of the boys' team qualified for the State Track Meet. Alan Zeunen, Casey Fish, Mick McCormick, and Jay Young, on the 400 meter relay team, and Leland Hansen, Bob Manygoats, Casey Fish, and Jay Young on the 1600 meter team.

Sitting: Lisa Gibbons, Stephanie Hansen, Paula Sue King, Mike Burks, Chris Burt, David Borks, Bryon Cassetty, Tanya Baca, Sherri Pogue, Sandy Holiday. Kneeling: Lisa Groves, Trudy Holyoak, Colleen Smith, Margaret Pate, Kerri Westover, Vonda Hatch, Tonnie Smith, Leslie May, Julie Smith, Julie Hansen, Julie Ward, Angie Arend. Standing: Coach Allen Ribelin, Coach Kevin Davis, Melvin Barton, Johnny Frank, Leland Hansen, Matt Byerly, Casey Fish, Jay Young, Danny Scroggins, Alan Zeunen, Norman Keams, Bob Manygoats, Dennis Moya, Coach Neil DeWitt.
